***Allowable Subject Matter***

Claims 1-27 are allowed.

The following is an examiner's statement of reasons for allowance: with respect to claims 1 and 14 the prior art of record does not teach an alignment section having a diameter closely matching that of said bore, in combination with a locking engagement section configured to engage the second component. With respect to claim 21 the prior art does not set forth an alignment section with a diameter less than a threaded section and closely matching the diameter of the cathode body bore, for alignment of the electrode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark H Paschall whose telephone number is 703 308-1642. The examiner can normally be reached on 7am - 3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on (703) 305-5766. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
